

VOTE **1** for the party with **HEART**

The **HEART Party** is
your voice for **choice**; because
YOU deserve to be heard.

We value **YOUR** right to choose or refuse
any health product or procedure **without**
coercion, discrimination, harassment or penalty.

We recognise the importance of
accountability and **transparency**
in all areas of Government, including
health, environmental
and **economic** policies.

At the core of each of our
policies is our commitment to
provide **ALL Australians**
with the power to make
informed decisions
about **their own**
health and **lifestyle**.

*“Together
we will enhance
the potential of
all Australians
to live a happy
healthy life.”*

Michael O'Neill
HEART Party Candidate

HEART Party Formerly known as IMOParty

We will assist Australian's by:

HEALTH

- ▶ Supporting lifestyle choices that build and maintain a strong immune system via organic food.
- ▶ Providing a healthy water supply without the addition of fluoride or any toxic substances.

ENVIRONMENT

- ▶ Supporting sound environmental positions that are based upon independent, balanced and objective scientific findings.
- ▶ Offering information on regenerative farming such as permaculture and biodynamic farming.
- ▶ Phasing out hazardous substances and practices that are negatively impacting upon the health of our environment and people.

ACCOUNTABILITY

- ▶ Empowering health professionals to gain true informed consent without fear of repercussion or reprisal.

RIGHTS

- ▶ Calling for a Bill of Rights or a Federal Human Rights Act which protects our human rights and freedoms.

- ▶ Phasing out practices that are cruel to animals.

TRANSPARENCY

- ▶ Calling for Government truth and transparency in all decisions, including disclosure of ALL conflicts of interest.
- ▶ Calling upon NCIRS to provide a detailed evaluation of the health outcomes of the National Immunisation Program.
- ▶ Calling for independent safety studies in all emerging technologies including 5G and geoengineering to determine if there are any negative environmental and/or health impacts.

BUSINESS and ECONOMY

- ▶ If managed correctly, Australia has all the ingredients for a thriving economy. We believe that the key to greater prosperity in Australia is the reduction of laws, regulations, excessive taxes and so-called safety practices that are strangling the life out of our economy and have plunged us into excessive debt.

**REAL CHANGE
NEEDS A BRAVE**
