INFORMED MEDICAL OPTIONS PARTY (IMOP)

Why Vote 1 for IMOP

- ✓ NO mandatory Covid-19 vaccination.
- ✓ End ALL vaccine mandates and COVID restrictions. Prevent further erosion of rights and choice.
- ✓ Remove all the No Job No Pay/Play policies and we will seek financial compensation for all Australians affected.
- ✓ Demand government truth, transparency and accountability.
- ✓ Remove neurotoxic fluoride from the water supplies.
- ✓ Defend people's rights to use traditional and natural therapies, and include them in the public health system.
- ✓ Advocate for government funded natural and midwife assisted births.
- ✓ Education reform; support alternative, community and homeschooling education groups.
- ✓ Halt 5G until independent studies and safety levels are assessed on human and animal health, and the environment.
- ✓ We support sovereign rights for First Nations people who are the rightful caretakers.
- ✓ Demand truly independent health research and safety studies.
- ✓ Mandatory reporting of ALL vaccine and drug adverse events.
- ✓ Legalise medicinal cannabis.
- ✓ Protect the environment and animals.
- ✓ Promote permaculture, and organic food and farming (chemical free). Promote GMO-free food and labelling.
- ✓ Invest in ethical energy and living.
- ✓ Encourage and support small and local business.
- ✓ Protect community banks and cash.
- ✓ Further limit foreign ownership of business, land and water.
- ✓ Freedom of choice and speech.
- ✓ Less regulation, rules, red tape and laws across the board.
